

## England Apprenticeship – COVID-19 Resources

We understand that you may have questions about your apprenticeship and we will contact you by email on Tuesday 31<sup>st</sup> March 2020. Please read the email carefully to make sure you fully understand its contents. If you are unsure about anything in the email, or need any support or advice, please contact us at [quality@gtg.co.uk](mailto:quality@gtg.co.uk).

Please open the attached PDF's. It's an easy-to-follow guide to how to access the [IMI e-learning platform](#) for those on **Frameworks**. Please note that the PDF instructions for **Frameworks** refer to MOT training, but this is for illustrative purposes only – it is the same process that you will follow to select all of your learning modules. The second PDF is instructions on [how to access your e-logbook](#), for those on **Standards**.

After that, open and carefully read the [attached spreadsheet](#) to understand what learning module you should follow. This is pre-mapped for all classes (Light Vehicle, Accident Repair etc.)

Now select the pre-advised class-by-class learning modules on the IMI e-learning platform. The following link will take you to the site where you can use the access codes supplied in the email.

- <https://www.theimi.org.uk/>
- **Framework** - Accident Repair: Apply for this code at [quality@gtg.co.uk](mailto:quality@gtg.co.uk)
- **Framework** - Light and Heavy Vehicle and Bus & Coach: Apply for this code at [quality@gtg.co.uk](mailto:quality@gtg.co.uk)
- **Standards** – Login using your e-logbook details

If you can't access the IMI e-learning platform, please contact us.

Please all stay safe and well!
